Mollie Hypes,

Madam:-

Replying to your letter of July 6, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If any further information is required in connection with your application you will be duly notified.

Very respectfully,

NLC.

Dear Sir:

I wrote you some
time ago in regard to my
application, in the enrollment
of Cherokee Indians. I did
not exactly understand
by your answer, whether
my application ever
reached your office -
that is the point I want
to know. The rest of my
family have all received
answers from theirs but
I have not.

If there is right I
feel sure I will see.

but if my application
is not there of course
I am out with-out a
chance

Very truly -

Mrs Emmie C. Jenkins.

Misc.

Richard A. Wilson, after being first duly sworn,
deposes and says:

I am 56 years of age; was born in Cherokee County, Ga., and have lived here all my life. I claim Indian blood through my father. I have never received any Indian money from the government and have never made application for Indian money prior to this time. My father never received any Indian money. ~~He never lived with the Indians.~~ He was a carpenter. ~~My grandmother lived in this neighborhood.~~ I remember her. She ~~sitz~~ talked English. I have heard of my Indian blood all my life. My father first told me. I never heard of an enrolling agent through here in 1882. My grandmother's sister, Charlotte Victory, drew some Indian money. She I think my grandmother did not make application. She was a half Indian. I do not know where my grandmother's sister lived. She was not carried away with the Indians I am told. She went to the Territory and drew money. I do not know why my grandmother did not try to get any Indian money.

January 29, 1910.

Hon. Guion Miller, Special Commissioner,

Court of Claims,

601 Ouray Building, Washington, D. C.

Dear Sir:

As filed registered
Some time ago we filed claims in behalf of Richard A. Wilson, No. 24881; Mary A. Mosteller, No. 29834; Julia P. Blair, No. 29364, and certain other children, grandchildren, and great grandchildren of Newton Dugin, a full blooded Cherokee Indian, who was a member of the Cherokee Nation in Cherokee County, Georgia, from his birth ~~xxxxx222~~ until some time between 1835 and 1838, when he left Georgia and went west with the Cherokee Nation, leaving in Georgia, his wife and one son, from which son the above named claimants are descended.

Following the suggestions laid down in your letter to us of October 15th, we submitted affidavits tending to bring the claimants within the requirements of the order of the Court of Claims of April 29, 1907.

The claimants have inquired of us when their claims will probably be passed upon, and we are taking the liberty of writing to ask you if you could kindly indicate to us the approximate date of a decision in the matter.

Thanking you and with high esteem, we are,

Yours truly,

Charles B. Shelton, Attorney,

Atlanta, Georgia.

Sir:

I am in receipt of your letter of January 29, 1910, making inquiry as to the claims of Richard A. Wilson and others for participation in the Eastern Cherokee Fund.

In reply you are advised that in my report to the Court upon the exceptions filed I have renewed my recommendation that these claims be rejected.

The exceptions were set down for final argument on January 17th, and the Court heard argument on the 17th, 18th, 19th and 20th of January. At this time the general questions were considered which would in a large measure determine the special exceptions filed. The Court has not yet announced its conclusions in regard to this matter, and I am unable to say when the decision will be announced.

Very respectfully,

Special Commissioner.

Dear sir:-

Will you kindly
inform me the cause
for rejecting applications
24901, 12205 and 25263
and others and will
you also please inform
me concerning a little
proof that it supposed
to have been filed
by Mrs. Sarah Hampton,
ne Morgan, some time
between 1846 and 1854.
Sometime after the
Treaty, Feilden Hampton

Kensler claimed that his mother filed with the Department of Justice a claim through one Stephen Whitaker to obtain money they thought to be due them as Cherokee Indians at that time, if there is any such proof of record at Washington, and it is not asking too much of you, I would be glad to know what the proof was. I realize that I am asking of you a favor outside of your jurisdiction, but the testimony which would

convince me that
I was either entitled
or not-entitled to a
distributive share in
said funds.

Said claim was
filed from Cherokee Co.

Thanking you in
advance, I remain,

No. 24906.

PETER A. APPERSON, being first duly sworn, deposes and says:

My name is Peter A. Apperson; I live at East Bend, Yadkin Co., N. C., and I am 65 years of age. I have lived near Donnohoo all my life, live nearer Donnohoo than East Bend. I am related to the Poindexter family. I only know what I have been told regarding my Indian blood. Uncle Sam Martin always said we were kin to the Indians, through Donnohoo, and they named the station after Indian Chief Donnohoo. Martin was an uncle of my wife. Frank Pledge was my great-grandfather. He was the brother of Betty Pledge Poindexter. I do not know whether he was any relation to John Ayers. I have heard of the name of Junalusky, but do not know whether he was any relation to me. The only Indian ancestor I have heard of was Donnohoo. I first heard of my descent through Donnohoo about 10 or 12 years ago when I made claim for land. My wife is descendant of Betty Pledge, and I knew if one was kin, the other was. I did not put in a claim for land, but my wife did, but I knew if she was kin, I was. My grandfather Apperson came from Va., with the Poindexters. My grandmother was a Poindexter; I was under the impression they married in Va. My grandmother was only 12 years old when she came into N. C. I think my great-grand father Frank Pledge lived the great part of his life in Va. Betty Pledge Poindexter lived close to Donnohoo; she died there; I think she lived in Va., too. I heard my grandmother talk about coming from the James River. My grandmother, Nancy Pledge, was a daughter of Frank Pledge, and she was the one who spoke of coming from the James River. Frank Pledge was the grandson of Donahoo. I don't recall that Saml. Martin ever stated to what tribe of Indians we belong.

I claim through my father and mother both. My father, John
Corbear, was an Old Settler. ~~xxxxxx~~ His other name was
John Griffin. My mother was an Old Settler too. My father was
born and raised here. My mother came here the year peace was
declared. My mother was not married to my father in 1852. She
was 3/4 Indian. The last time I drew Old Settler money was in
1882. My mother's maiden name was Mary Wilson. She married a

Madam:-

Replying to your letter of September 9, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Arthur Robinson,
Coffeyville,
Kansas.

Sir:-

Replying to your letter of August 25, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state, at the present time whether or not you are entitled to participate in this fund, or just how much each successful claimant will receive.

As there are already over 35,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any farther information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

My Mother's Indian name was Teen.

My Grandfather, Mort Garrett's, Indian name was Ophelia.

My Mother and all of her folks were Cherokee Indians and were all born and raised in Georgia.

I never got the notice to appear at Anniston until July 3, at 3 o'clock P. M. My wife brought it to me while I was at work. I called for my mail at Jacksonville on July 1, and was told there was nothing for me.

Madam:

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time? Where were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, please state whether slaves of Indians or white people.

If any of the ~~the~~ children for whom you claim are dead, please give the dates of deaths.

Very respectfully,

Miscel.

Martha E. Pursell being first duly sworn, deposes and says:

That I am 45 years of age and live in Cobb Co., Ga. I claim my Indian descent through my father; my mother was a white woman. My father's mother claimed the Indian. All the rest of my grandparents were white. One of my grandmother's sisters was Ludie who married a Thrasher. There were other sisters but I don't know their names. If she had any brothers I don't know them. My father was born in Gwinnett Co., Ga. and was mostly raised there. My father was about 86 when he died and if he was living now he would be about 90 years of age. My father was never on any roll that I know of. Don't know whether he ever lived with the Indians or not. Don't know whether my grandmother Smith was on any roll or not. Don't know when she died but think it was when my father was grown and married. One of my sisters, Fannie Davidson, made application to share in this fund. Don't know her number. I am recognized as white in the community. My father always taught me that I had Indian blood. My grandmother Smith was a Bell. Don't know where she was born and raised. I never heard my father say whether she ever lived among the Indians or not. My father talked of going to the Ter. when I was a child but my mother was an invalid and she couldn't go. I never received any money from the government by reason of my Indian blood and if my father did, I never knew of it. My husband was a white man.
